REPORT

[To accompany H. Res. 603]

The Committee on Rules, having had under consideration House Resolution 603, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the conference report to accompany H.R. 4578, the Department of the Interior and Related Agencies Appropriations Act, 2001. The rule waives all points of order against the conference report and against its consideration. The rule further provides that the conference report shall be considered as read.

The waiver of all points of order includes a waiver of clause 8 of rule XXII (requiring a three-day availability of a conference report). While the conference report was filed on Friday, September 29, it was not available from the Government Printing Office until Monday, October 2, and may be considered as early as Tuesday, October 3. Also, the waiver of all points of order includes a waiver of clause 9 of rule XXII (prohibiting matters not specifically committed to the conference from being included in the conference report).
